# Richmond

BY THE COMMUNITY, FOR THE COMMUNITY

## Ardal O'Hanlan at the Georgian, UCI World Road Championships Men's Junior Road Race Start, Richmond Walking & Book Festival, Ale Festival, Coffee, Cake & Music at Easby Church, and much more inside...

There is so much to do in Richmond! Visit the Falls, enjoy spectacular views from Castle Walk, stroll along the river or walk up the hills, wander round the cobbled Georgian Market Place and enjoy coffee, tea and cake in the many cafés. Besides The Station with its artisan shops, cinema and superbly preserved railway architecture; the Green Howards Museum telling the inspiring story of the local regiment; Richmondshire Museum with its recreations of our varied history, Richmond Castle stands proud as one of the oldest Norman Castles in the country.
